Powderhorn Adventure Sports Training 2026/2027

The Powderhorn Adventure Sports Training (PHAST) has been in existence since the mid-1970s, providing very affordable skiing and snowboarding to local area students. Our mission is for all students in our surrounding communities to be given the opportunity to experience not only a lifetime sport but gain appreciation of outdoor environments.

Please note the following program guidelines as changes have been made:

1. Lessons are strictly for students aged 8-18.
2. Groups must have a **minimum of 10 students** to participate. *(If less come the day of, **discount rates will not be offered)***
3. The program is ONLY available Mondays thru Fridays **excluding holidays**
4. Your group may choose to participate for one or more days.
5. Your group **as a whole** may register for either half day lessons (10:30-12:30pm) **or** full day lessons (10:30-12:30pm) / (1:30-3:30pm).
    5.1. We will be offering an **early bird less on with a special start time** (9:30-12:30pm). This will be for full day lessons that need to leave early. **ALL students for the school must sign up for this.** We had issues last year with students not arriving early enough and having an instructor with no class and/or instructors having other assignments.
6. **ALL** level 1 (**first time** skiing or snowboarding) students are required to take a **full day lesson or early bird lesson.**
7. All reservations will be made (VIA *Forms* online) in advance. Reservations will close 3 nights prior to your arrival date, unless otherwise discussed. **(72 hours)** At this point there will not be any additions. This reservation will not require any initial payment but will get the information we need to reserve the proper lesson level, rental equipment, waivers, and instructors needed.
8. Parents should not register their students for multiple days at a time. They need to sign up for a lesson level for their student, and that may change from week to week.
9. Your organization will be required to make one single payment to Powderhorn. **(students pay you, you pay us)**
10. Make checks payable to 'Powderhorn Mountain Resort'.
11. The coordinator will receive 1 complimentary lift ticket/rental package to be used for chaperones for every 10 people in your group.
12. **All students must take lessons**. Students are divided into ability groups. We cater to all skill levels; beginners to experts.
13. The student has the option of choosing either skiing or snowboarding.
14. If your group has a student who has either physical or cognitive disabilities, please make a separate reservation through CDA (Colorado Discover Ability) (970) 257-1222. If they can function in a regular class, it must be told ahead of time so a skilled instructor that is equipped to handle this situation can be assigned.
15. RFID cards will be issued to each student as their lift ticket. These get scanned through clothing and must be returned for school groups. For every card not returned, your group will be charged $20/missing card.
16. Chaperone tickets and rentals are only available to parents/guardians of participating in students, not for siblings, friends, or other family members.
17. Anyone who purchases a chaperone lift ticket is expected to assist getting students through the rental shop and getting them out to lessons on time. Also available to assist any student that is injured / sick / or cannot participate further in the lesson for any reason.
